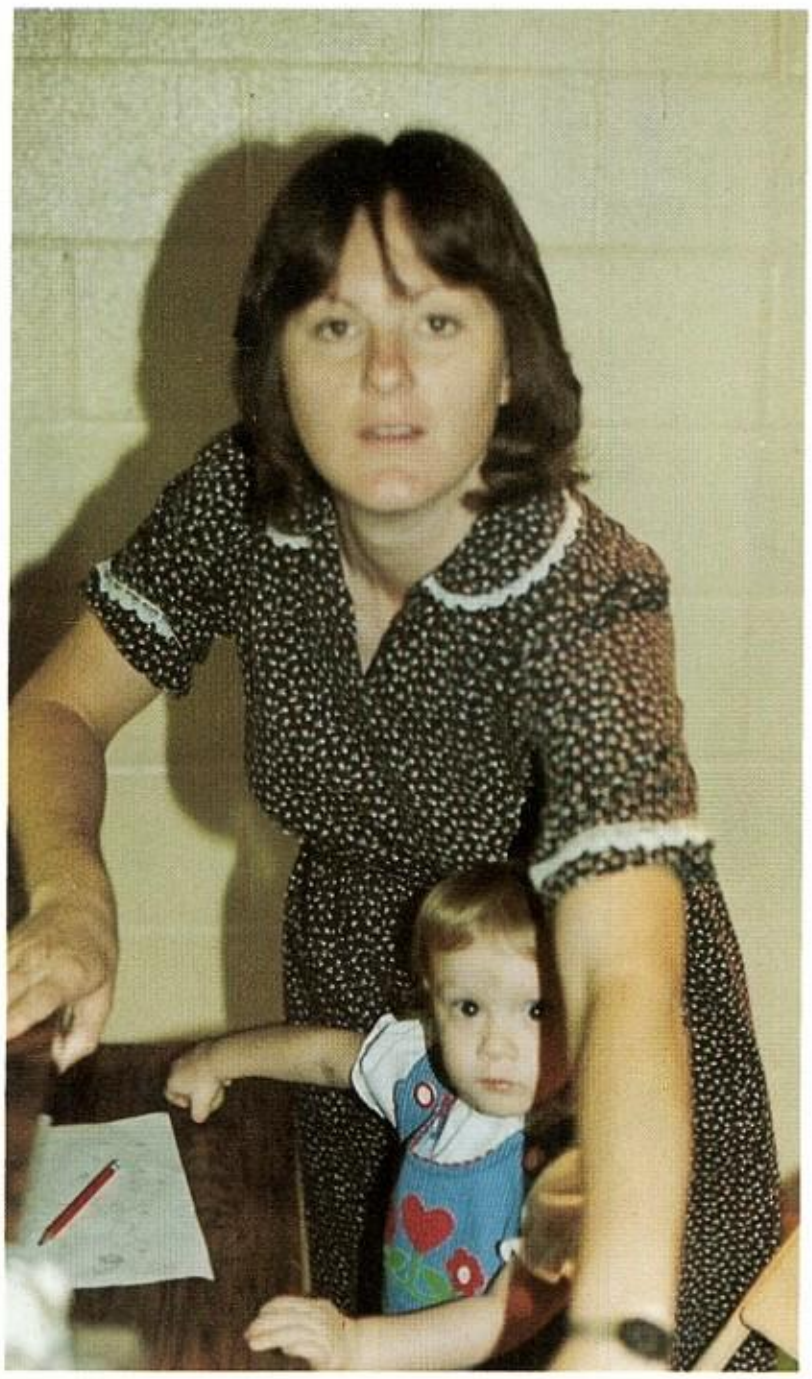
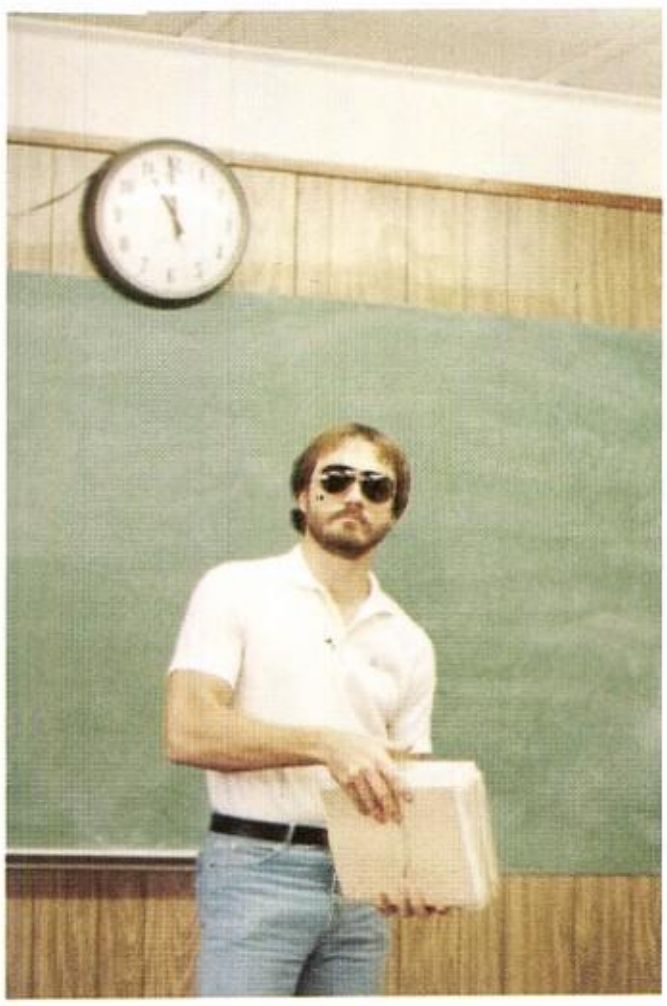
DEDICATION

There is a little family whom we have all grown to love and appreciate. Through their thoughtfulness and understanding they have helped us to accomplish our goals and reach up for even higher ones. This is why we, the El Dorado staff of 1982, wish to dedicate this yearbook to Mr. and Mrs. Solomon, and Mandi.

During Mr. Soloman's 5 years here, he has been teacher, coach, counselor, and friend. He is currently the "guy's" dean, the Junior's American History teacher, and the Senior's Class Sponsor. His participation in our sports programs has made us enthusiastic about exercise and keeping physically fit. Some things he'll be remembered for are his sunglasses, New Balance shoes, and his invincible grandmother. His Christian witness and example are a great asset to our school.

"Push it!" These are the words of Mrs. Solomon as we struggle to beat the clock while jogging in girl's P.E. She is also the "munchies" supplier for the boy's dorm. Always around to listen and talk with us about the various problems of campus living, her advice makes our problems seem smaller. Her happy Christian attitude has cheered us in low moments.





Last but not least, is Mandi. We have watched her as she grows and learns. What a thrill when she recognizes us and calls us by name. It is a joy and blessing to have Mandi with us.

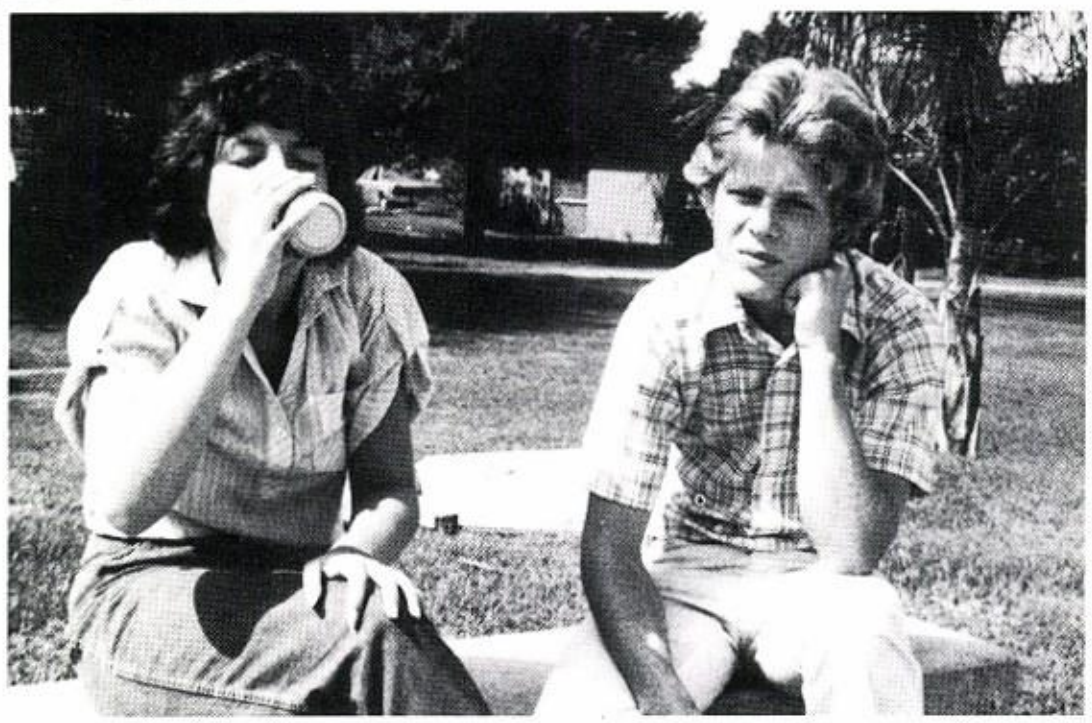
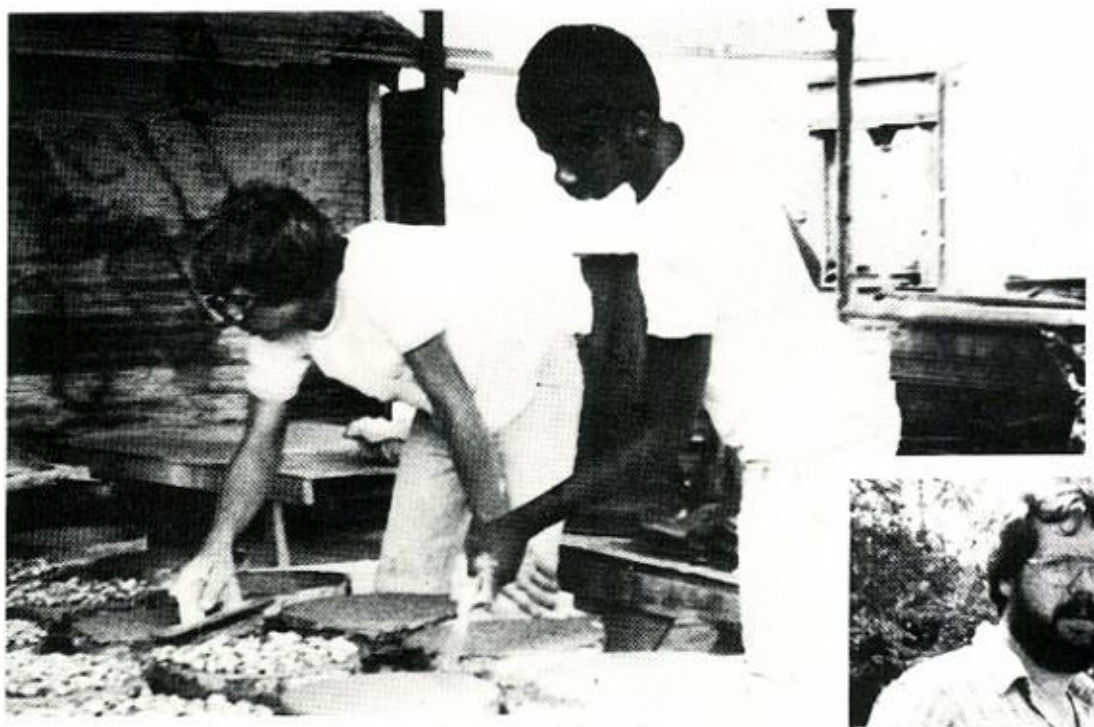
The only way to have a friend is to be one. Emerson

You see, it's like this . . .



I can't believe she drank the WHOLE thing!



It's nice to have a helping hand.

On Saturday night, September 26, the Wilderness Living Club took off for a week of fun at Big Bend National Park. They gained a great blessing from being out in nature and also learned to appreciate common things like water, beds, and home cooking.

On Sunday, October 4, after a long night of riding on the bus they returned tired, dirty, and blistered but with a great experience behind them to look back to and remember.

Who will you give your heart to?

Look to Christ, not the world.

"I'm a pig, the most intelligent animal on the farm."

What's new, enlightening, and dramatic? The Religious Drama Club, that's what. They are a traveling drama group whose goal is to spread God's message to others through skits and plays.

Tryouts were held for three consecutive nights in October with more than a few nervous students hoping that they would be chosen. It was a difficult decision, but finally Mr. Keele posted the names and the group was off to a good start.

Their highly successful presentations in Sabbath School and Vespers have added a lot to our programs and they give people a blessing everywhere they go.

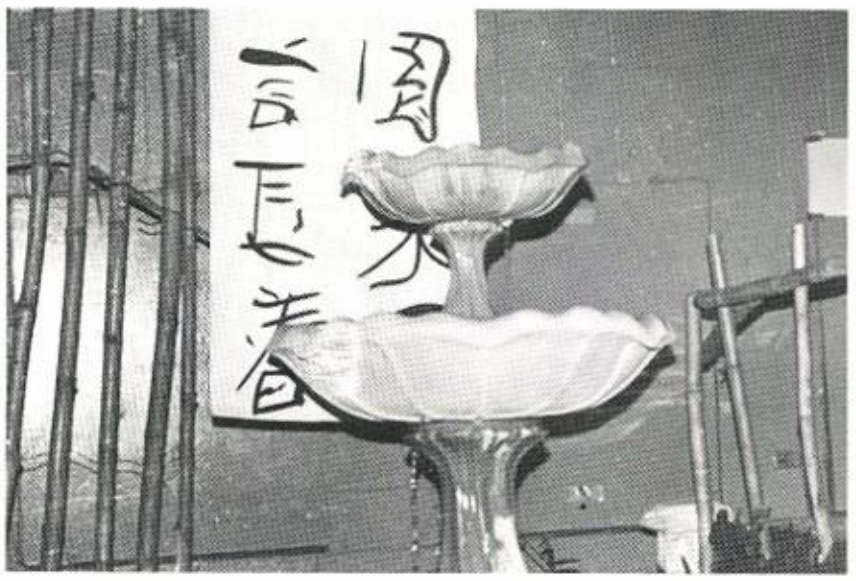
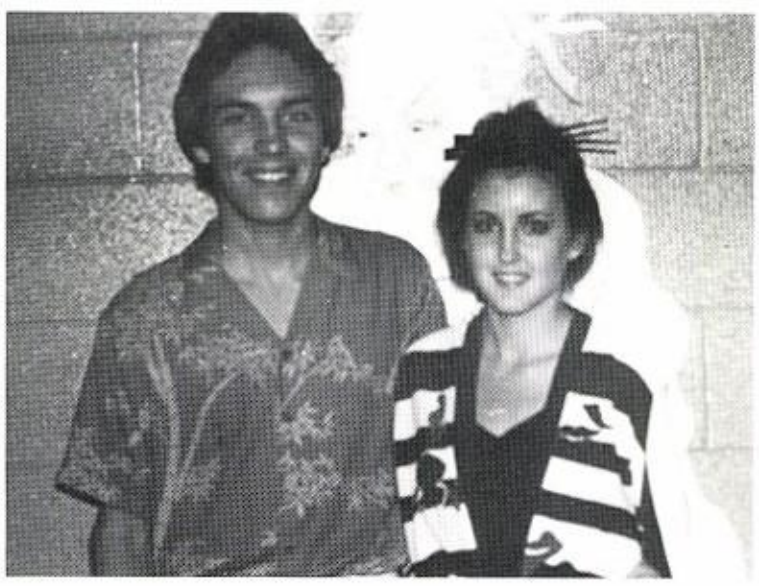
AN EVENING IN THE ORIENT





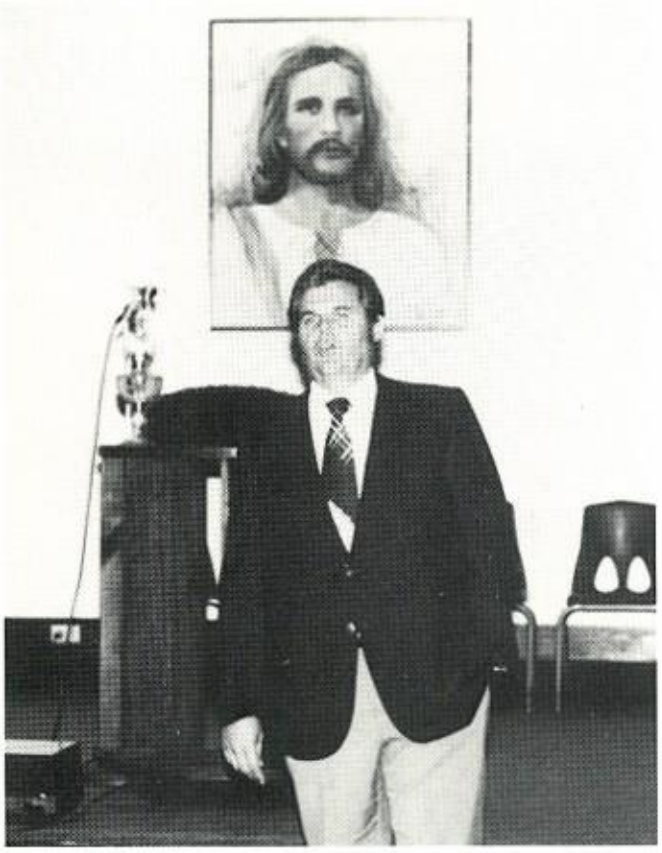
A favorite gathering at V.G.A. is the Student Association's first banquet of the year.

This year the officers went all out in the decorations for "an evening in the Orient." From the dinner to the background music everything was set to the oriental theme.

Dividing the gym were walls of bamboo with oriental umbrellas dangling from the attaching wires. Hanging from the ceilings were chinese lanterns. These were just a few of the decorations.

To end the evening, the movie "Lt. Robinson Crusoe U.S.N.," was selected to be shown before the chinese couples said their "chows!"

WEEK OF PRAYER



Elder Don Keele. Our week of Prayer speaker.

Susan McIntyre and Carmen Ortiz leading a spirited song service.

Brian Luttman and Mr. Keele giving special music.

Our Week of Prayer was special this year, and will not be soon forgotten. Elder Keele, father of Mr. Keele, came to VGA to give us a week of spiritual blessings and encouragement. He had many practical ideas for us to put into use, and his talks, and films that were shown were an inspiration to us all. We fervently hope Elder Keele will bless us with his presence again sometime soon.

A Way, and Ways, and a Way,
The High Soul climbs the High Way,
The Low Soul gropes the Low,
And in between, on the misty flats,
The rest drift to and fro.

And every man decideth
The Way his soul shall go.

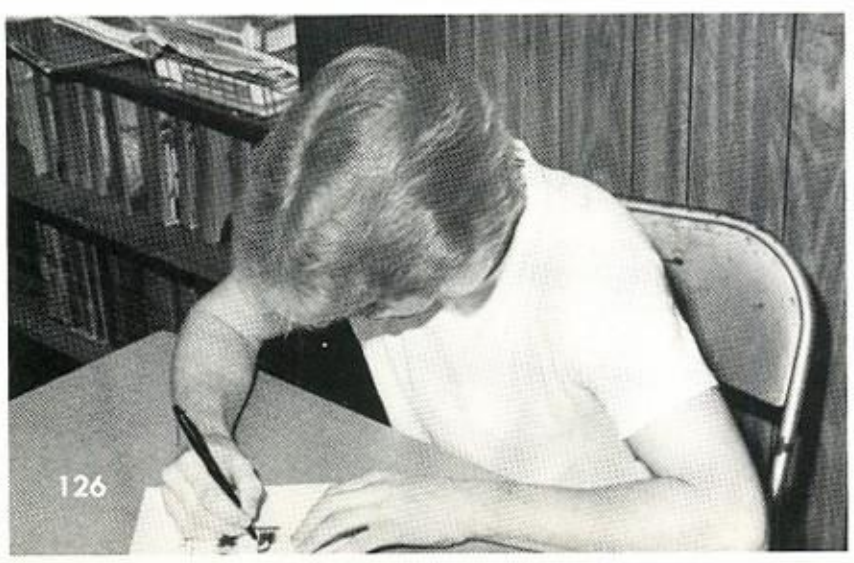
Our special thanks to Mrs. Hernandez and Mrs. Zier for all their help.



There were times we thought we wouldn't, but we finally got it done. It took alot of effort, but we had alot of fun!

(Here it is, we hope you like it.)
